Remember to look up at the clear, dark sky of Kolapis village, identify the constellations above you and make a wish. Return back for freshen up before to bed

### **Day 2: Kolapis, Beluran/Bilit/Kinabatangan River (Breakfast /Lunch/Dinner included)**

Kick off this morning with a local style breakfast hosts before joining the local boat to catch dolphin. Keep your eyes open as you can often see Irrawaddy dolphins and otters in this area! After lunch, it's time to head to the Kinabatangan River - the 2nd longest river in Malaysia. The river is also a protected forest reserve which contains some of Borneo's highest concentrations of wildlife. In the late afternoon you will take a river cruise and hopefully spot some of the local wildlife - wild elephants are rarely seen but we there is a good chance of spotting crocodiles, macaques, wild orangutan and proboscis monkeys, as well as hornbills or kingfishers - just some of the many types of animals and birds found in this area. An early dinner will be served at the lodge. Overnight at the Borneo Natural Sukau Bilit Resort.

### **Day 3: Sepilok Orang Utan / Sun Bear / Sandakan City Tour (Breakfast /Lunch/Dinner included)**

Wake up to the calls of gibbons and hornbills. Proceed for an early morning cruise to observe more wildlife and birdlife. Return to resort for breakfast. After breakfast and check out, transfer to Sandakan and drive to the world-renowned Sepilok Orang Utan Rehabilitation Centre to witness the feeding of the iconic Orang Utan and a good opportunity to photograph them in their natural habitat. The centre was established in 1964 to help rehabilitate the Orang Utans which had been orphaned, or displaced by logging and clearing of secondary forests for plantation. The magnificent mixed dipterocarp forest offers a natural home to the Orang Utans, which slowly become less dependent on their twice-daily feeding of milk and bananas at the centre and eventually return voluntarily to the wild. Continue to the Bornean Sun Bear Conservation Centre. You can now get close to the world's smallest bear in its natural forest environment. These adorable Sun Bear is losing their habitat through deforestation. The mission of the centre is to promote sun bear conservation in Borneo through animal welfare, conservation, rehabilitation, education and research - giving captured sun bears a better home and restoring their right to live in the wild. Visitors will be able to peek in on their activity from the walkway as they lumbered and played in open-air forest enclosures. After lunch, Sandakan city tour; Memorial Park, Sim Sim Water Village, Pu Ji Shi temple and Central Market at down town.
